**Carpets**'Tis time now to brighten  
up the home and make  
ready for indoor life once  
more.How about the Carpets? Are  
they in good condition and  
cheerful enough for the chilly  
days coming? If not come in  
and let us show you what  
beautiful things the carpet  
weavers have been producing  
while you were dreaming in  
the hammock.See the clearly defined and  
symmetrical patterns in the  
New Axminsters.See the soft velvety effects  
and blended shadings in the  
New Tapestries.See the charts and lovely  
floral figures in the New Mo-  
quettes.See how cleverly the new  
Body Brussels reproduce the  
Mouquette patterns.See what handsome art de-  
signs and what superb wearing  
qualities we offer you in all the  
grades of Ingrains.And then look at the new  
Art Squares. What is more  
appropriate or pleasing than a  
room or two in the house with  
a neat matting on the floor and  
an Art Square thrown down  
upon it, so as to cover the cen-  
ter and leave a border about  
a foot wide all around the  
room?The new Rugs, the Sheep-  
skin Mats, Wire and Brush  
Mats, the Coco Matting and all  
other feet cleaners and foot  
dryers for the veranda, door-  
way, vestibule and hall are  
likewise worth your attention  
just now. 'Twill be damp and  
rainy by and by, and after that  
the ice and snow will come.**Smith & Sanford**
